## Latest PTO Information

**Step It Up Fundraiser \$\$ Earned** – Thanks to our families and friends support during our first annual Step-It Up fundraising event, our PTO has been making needed and well deserved purchases around the school. We've purchased new chairs for the Gym, enough desks and chairs for two classrooms, materials and infield stabilizer for our baseball fields, classroom set of books for our language arts class and a GaGa Ball Pit structure! Thanks to our PTO, Mr. Dolezol and the CCUSD Trust's approval, GaGa Ball will be coming to STMS for our students to use. Your PTO was only able to make these purchases thanks to you... our parents, families and friends and your generosity during our PTO school fundraiser.

**Science Festival Night 2/13** – Bring the family and come support all the research and hard work our students have been doing at the annual Science Festival. The event begins at 5:00pm in the Gymnasium, food truck on-site and hot air balloon will be only some of the activities at this fun school event. Which project will bring the prize money home?

**8<sup>th</sup> Grade Boston Trip** – Going to Boston for the 2019 Spring Break field trip? Make sure to purchase a one of a kind custom-designed t-shirt to wear while you make memories for \$20. Purchase in the office or online.

**Stinger Merchandise** – Need something warm? Pick up your STMS spirit-wear hooded sweatshirt or long sleeve t-shirt today. Purchases can be made at the Snack Shack after-school, in the STMS front office or online. We've made it convenient for you to shopping, prices vary.

## Have some extra time?

PTO's looking for volunteers in our Snack Shack. We need at least two volunteers daily, but prefer three each shift. Set-up begins 2:15pm (10:30am early release) and you'll stay approximately 30-45 minutes.

Find out more at <https://www.stingerfamilies.org/volunteer>
